A warm welcome is extended to all who have come to Our Lady of the Snows and to the Church of Saint Benedict this weekend to join together in this community of worship and praise to Almighty God. We are grateful to our faithful parishioners who come here every weekend. Also, we welcome our neighbors and guests who visit us occasionally and want them to know they are always welcome.

SACRAMENTAL LIFE

THE SOLEMNITY OF PENTECOST
The Fiftieth Day of Easter
May 31, 2009

*"But when he comes,
the Spirit of truth,
he will guide you to all truth."
-- John 15: 15: 27 --*

EASTER SEASON

Today is the **fiftieth day of Easter**, the **fullness of Easter**, the celebration of **the day on which the Holy Spirit came on the apostles** in the room where they were hiding out of fear. The Holy Spirit transformed them so fully that they immediately went out and began preaching and teaching about Jesus. Thousands came to believe that day. This feast today is all about us. All of us have received the same Holy Spirit in Baptism and Confirmation. The gifts have been given to us. Easter, reaching its fullness in Pentecost, calls us to allow those gifts to be awakened more fully in each of us. Pentecost is our feast. May the Spirit continue to work in us and through us.

STEWARDSHIP OF TREASURE

Your **Sacrificial Offering** for last weekend amounted to **\$13,186.86**. **Thank you** for your **Sacrificial Offering** which makes possible the day-to-day life of our parish with its many ministries and the requirements of maintenance of our beautiful properties. **Thank you for all that you do!**

In order to make ends meet, we need to average **\$16,200.00** a weekend. Anything you can do to help us reach that figure in these challenging times will be greatly appreciated. The months of May and June are **traditionally difficult months for offerings** because of so many activities and special events during these two months – Church and Sacramental and others. As you always do, please keep the needs of the parish in mind during these months. **Thank you again for all that you do!**

BULLETIN BRIEFS

[The new Washington State law legalizing assisted suicide] represents a dangerous new assault on the culture of life. Of special concern is the threat that legalizing assisted suicide poses for vulnerable persons, who are already at risk of marginalization by an individualistic and utilitarian perspective of life. Those most at risk from this dangerous change in public policy are elderly persons, those without adequate health care, people with disabilities and those with no family support system.

Bishops of Washington State,
"Respecting Life at the End of Life"

CONGRATULATIONS AND THANK YOU!

Congratulations to all the members of our parish who received the **Sacrament of Confirmation** on May 20 and May 22 at the Church of Saint Benedict. As we have seen year after year, these young people prepared very carefully for the Sacrament of Confirmation and were very serious about this Sacrament. It was a great pleasure to witness the results of their preparation in two

beautiful and prayer celebrations of Confirmation. **Thank you** to all who helped in any way to make this possible.

THANK YOU

Thank you to all who have already contributed to the annual Parish Improvement Fund. Your kindness and generosity is much appreciated and will be great help in maintaining our beautiful parish buildings and properties. If you have not yet contributed, you know that donations are always welcome. You can use the envelope you received in the mail or any envelope that you mark **Parish Improvement**. **Thank you** in advance. We will give a report next weekend on this Fund.

LITURGY COMMITTEE NOTES

The Sacred Space, Furnishings, Vesture, Books

Do you know about the TABERNACLE?

The tabernacle is the safe in which the Most Blessed Sacrament left over from Mass is reserved – primarily for the purpose of being brought to the sick. Each community has but one tabernacle located either in a separate chapel or some other area sufficiently separate from the altar to make quite clear the distinction and the action of the consecration. The one tabernacle should be immovable, be made of solid and inviolable material that is not transparent, and be locked in such a way that the danger of profanation is prevented to the greatest extent possible. The tabernacle should be located in a part of the church that is truly noble, prominent, readily visible, and suitable for the faithful's private adoration and prayer. An oil lamp or a protected candle is to burn near the tabernacle at all times to indicate and honor the

presence of Christ. When passing before the tabernacle we are to genuflect, unless we are moving in procession.

If anyone is interested in any particular furnishings, books, or vestures that you would like explained, please call the Parish Center or tell any member of the Liturgy Committee. We will be glad to answer you in this weekly column.

Year of St. Paul from June 28, 2008 to June 29, 2009

Paul finds God's strength in Suffering:

Paul preached where he was not welcome and he disputed with doubters in public places. To many, Paul was a pest. This is the first charge we hear his prosecutor from the Sanhedrin make against him as he is presented to the Roman Governor Felix for trial (Acts 24:5). This was no small charge among Jews at the time. A pest was one step from becoming a pestilence, the fifth plague Moses brought against Egypt (Exodus 9:1-7).

If the Sanhedrin found Paul to be a pest, an examination of Paul's life as an apostle would suggest that he himself had endured a plague of sufferings on several occasions. In his own words, Paul says, "Five times at the hands of the Jews I received 40 lashes minus one. Three times I was beaten once I was stoned, three times I was shipwrecked, I passed a night and day on the deep; on frequent journeys, in danger from rivers, in danger. . . ; in toil and hardship, through many sleepless nights, through hunger and thirst, through frequent fastings, through cold and exposure. And apart from these things, there is the daily pressure upon me of my anxiety for all the churches" (2 Cor. 11:24-28).

CLUSTER #4 IMPLEMENTATION PLAN

April 30, 2009

The Implementation Team has submitted a plan for Cluster #4 (Our Lady of the Snows/Church of St. Benedict, Church of St. Gregory, Our Lady of the Abingtons, and St. Patrick) to the Diocese. This is composed of a Values and Vision Statement accompanied by a detail plan outlining goals, objectives, action step, frequency and responsibilities. We will begin placing sections of this plan in the bulletin: Mission Statement: The Implementation Team preferred to wait a year before working on a common mission statement.

Values: As a cluster we are committed to operating out of the following values or core beliefs: We value being a welcoming community, extending our hearts and hands to all, especially to those in need, and encouraging each person to listen to God's call within his or her heart. We value celebrating excellent liturgy, providing effective catechesis for a variety of age groups, protecting human life from conception to natural death, being just and courteous to those whom we work with, and exercising careful stewardship over our resources. We believe that we are part of something much bigger than ourselves or our individual parishes – the earth's

entire Christian community of 2.1 billion people, the world wide Catholic Church, the Diocese of Scranton, and; now, this regional parochial partnership. We believe that God calls us every day to do his work for the betterment of the human family and for the care of his creation; and with all of this help, we should be able to say, "Yes." If you have any questions, please feel free to call the priests or Carol at the Parish Center.

WE THANK those who brought Canned Vegetables this weekend. If you can, please bring Canned Meat next weekend. Your generosity will not go unnoticed by a grateful Lord.

CONVERSATION CORNER

Even after seeing the risen Lord, his followers were not sure what to do. They were fearful and uncertain. It was not until they were filled with the Holy Spirit that they found the strength and courage to begin their mission. We are also often confused and uncertain about what we should do. Our Faith Community can help us discern what God may be calling us to do. However ultimately we must put our trust in God and open ourselves to the prompting of the Holy Spirit and then we will find the courage and fortitude to go forth on our mission.

FOR BETTER FOR WORSE

Reaching your highest potential of love is all about living the love you want to receive, regardless of circumstances or people. Rather than waiting for someone else to initiate the love, you yourself can become a love creator wherever you are. By relaxing into your purest nature as a love being, you find yourself being that nature. Those around you will sense your love. They will experience the natural expression of your love essence as caring, compassionate, empathetic, nurturing, generously giving and present. *Dr. Scott Peck & Shannon Peck, Love skills For Personal & Global Transformation.*
